

Biodrier Eco

Our Most Popular Dryer!

The Biodrier Eco is ideal for use in small washrooms where you still want efficiency and drying power. The Eco dries hands in under 10 seconds, is very hygienic, efficient and won't break your budget.

It is quieter than a lot of other high speed hand dryers, which can make it suitable for more sensitive areas. We have even used it as the base for our Biobot Children's Hand Dryer! (See p22)

Better For The Environment

All Biodriers use 90% less energy than conventional hot air hand dryers. The Eco's vital statistics make it an obvious choice for facilities and purchasing managers looking for a cost-effective long term solution.

Durable & Low Maintenance

Similar to the BioLite, the Biodrier Eco is made from strong die cast aluminium making it a very durable hand dryer. It also requires very little maintenance. A quick clean of the outer casing with a damp cloth is all you need, making it a great choice for busy workplaces, businesses and public areas.

The Finishing Touch

Produced in three beautiful colours and with a sleek modern design, the Biodrier Eco adds the finishing touch to any washroom.

Biodrier Eco Technical Specifications

Item Category	Performance
Operating voltage	220-240Vac, 50 Hz
Air speed	64 m/s (140m³/h)
Motor type	650W adjustable brush type
Heater element	250W thermal protected
Rating power	900W
Drying time	Under 10 seconds
Circuit operation	Infrared automatic, self adjusting
Timing protection	60 seconds auto shut off
Drip proof	IP22
Isolation	Class I
Net weight	4.5kg
