

POLISHED STAINLESS

WHITE METAL

BRUSHED STAINLESS

HIGH SPEED DRYING

A high speed vacuum motor blasts water from the hands for fast and thorough 10 second hand drying.

HEAT CONTROL

This BlueDry hand dryer gives you the option to have the heater element turned on or off. This is ideal for when the ambient air temperature is low and you want the comfort of warm air. When the heater is not needed, it can be switched off to save even more energy and money.

STURDY DESIGN

This hand dryer has a smooth, sturdy shell with no seams which makes it vandal resistant.

BLUE LED

A blue LED light guides the user to the airflow and adds a cool modern touch.
